Dear Members of the Rocky River Zoning Board,

I'm writing to offer my strong support for my neighbor, William Todd Seabrook, regarding his request to renovate and enlarge his garage.

As someone who lives directly next to Dr. Seabrook, I can say with confidence that he takes great pride in his home and cares deeply about maintaining and improving our neighborhood. His proposed renovation is a positive step—not only for his property, but for the overall look and feel of our street. I believe it will blend well with the surrounding homes and serve as a thoughtful and tasteful improvement.

I welcome the changes he's planning and have no concerns about any disruption or negative effects. Quite the opposite—I think it's a good example of the kind of upkeep and care that strengthens our community.

I fully approve of the project and respectfully urge the board to support his application.

Warm regards,  
Jack Reese

Dear Members of the Rocky River Zoning Board,

I am writing as an immediate neighbor to Dr. William Todd Seabrook to express my full and enthusiastic support for his application to renovate and enlarge his garage.

As a nearby resident, I view this proposed renovation as a welcome improvement to the property and the neighborhood as a whole. Dr. Seabrook has always been a considerate and respectful neighbor, and I have no doubt that his plans will enhance the aesthetics, functionality, and value of his home—while maintaining the character of our community.

I see no negative impact this renovation would have on my property or others nearby, and I wholly approve of the project moving forward. I hope the board will look favorably upon his request and grant the necessary permissions to proceed.

Thank you for your time and consideration.

Sincerely,

Scott
