Hi Jocelynn, John,

sounds good and looks good. I approve. Diane and I both think it'll be nice. Thank you!

Hi Mark,

As discussed in our text thread, I'm writing to get your approval to install a "0% transparency" fence between our homes. This would replace the section that was damaged by the fallen tree and would also help keep our dogs separated, as they're known not to get along (🐶).

We would also extend the wood portion so it ties in with your existing wood fence for a more seamless look.

I've attached pictures of what we have in mind. Please let me know if you approve.

Cheers,
Jocelynn
