SIGN ILLUMINATION METHOD: LEDs

In addition to this application, please submit three (3) sets of sign specs. made to scale. Specs must show the design and layout proposed, including the total sq. ft. of the sign, the size, dimensions, character, color of the letters and the background, lines and symbols; the method of illumination, if any; details and specifications for construction, erection and attachment, as well as a site plan for monument signs showing the exact location of the sign on the property, including the dimensions from property lines. Also, a photograph of the sign's proposed location with the sign superimposed on the photograph shall be submitted for all sign applications. Ground Signs must be accompanied by a Landscaping Plan (including year-round greenery). All structural materials and methods of construction must be detailed in drawings and sufficient for the purpose intended, as approved by the Building Commissioner.

As owner of this sign, I am familiar with the proposed project and agree to conform to all applicable laws of the City of Rocky River.
