

CURRENT SIGN

Remove and scrap existing "Blacked-Out"
Sign Face.
(duplicate on reverse side)

PROPOSED SIGN

Manufacture and install new painted aluminum retainer and framing to accommodate four (4) individual sign faces. Manufacture and install four (4) blank translucent white Lexan faces, per side of sign, for a total of eight (8) faces. Each face is approximately 12"x 36" (field survey required prior to manufacture)
