Announcement from President Moran

In 2006, Mayor Bobst was appointed by Council to fill the position of Mayor after Bill Knoble left office. That opened up the opportunity to fill the position of an “At Large” spot on Council. Tom Long was appointed to that position in June 2006. Tom then ran as an “At Large” candidate for the next term and was elected to continue in the role he was previously appointed. Tom later served the city as a board member for the Planning Commission of the city. While Tom was on Council he chaired the Planning, Zoning and Economic Development Committee. He maintained his Council position for two years and did not run again because of a conflict. Tom was assuming the position of Deacon at Saint Christopher Parish. You cannot hold public office and be a deacon at the same time.

Tom was ordained May 1st, 2010. He served in this role for about a decade. Tom has been a long time resident, growing up in Rocky River. Tom passed away this morning. Services will be handled by Zeis McGreevey Funeral Home. Details will be coordinated with the office of the Bishop of Cleveland and Father John Chlebo of St. Christopher.

Tom was a fine Deacon, Councilman, father of Brigid, Matt and Tim and husband of the late Kathy Long

along with being a great resident of Rocky River. He will truly be missed.

MAYOR'S REPORT:

The Mayor said that most knew that Tom had not been well. He was in the hospital, had COVID and passed. The Mayor and Council send their love to his family. Tom was part of this family for so long. The Mayor met Tom before she was a Councilwoman and he was always interested in serving on Council. Once Tom became a Deacon, the Mayor appointed him to the Planning Commission and was a dependable steady force. Tom has been in a good humor even with his health issues and the loss of Kathy. He will be missed.

The Mayor announced that the generator at the Civic Center is in place and will be connected by the end of this year. The city was able to purchase this generator with the grant money that was received from NOPEC. The city has been banking the money from these grants for several years to+ afford the generator.

The Collver/Oak Sewer Project is commencing. There is a survey for residents regarding this project that will help the project move along. It is a survey of basement depths by counting the stairs to the basement and sending the number back to the engineers. They do mapping of the depth to be sure the sewers are deep enough to flow by gravity. The city encourages residents to return this survey as soon as possible.

Leaf collection continues. The week between Christmas and New Year's Kurtz Brothers will be closed. The city will continue to pick-up and store the leaves at the Service Garage. The final week of leaf collection will be January 3rd through the 7th. The leaf truck will pass through every neighborhood that week. The city will continue to pick up leaves if placed in brown yard waste bags after that date. If the weather gets in the way of this schedule, the pick-up will be extended.

The Citizen's Police Academy will commence right after the first of the year. There are twelve cadets that will be attending the fourteen-week program. There are now over 100 graduates from this program. The Citizen's Police Academy has made a difference with the communities understanding of law enforcement and community policing efforts.

LAW DEPARTMENT: NONE

COMMITTEE REPORTS: Parks and Recreation Commission: Mr. Furry attended this meeting and there will be a Strength and Conditioning Program for Middle School students. Fees were discussed for the five sessions.

Mr. Furry also attended the S.A.F.E. meeting at the Gemini Center monitored by Mayor Bobst. There was a brief discussion regarding Part 150 Airport Noise Compatibility Study and the Cleveland/Detroit Metroplex.

Planning, Zoning and Economic Development: President Moran attended last week's BZA Meeting regarding the Krueger Group which is the development scheduled to be built on Center Ridge Road near St. Demetrius. It will have a total of 56 units and have requested three different variances, which were all approved. The Planning Commission Meeting will be tomorrow evening at 6:30 p.m. for the final approval for the Krueger Group. The Sunoco Station on Center Ridge would like to change to a Retail and Gas and the review of Ordinance No. 71-21 will be discussed tomorrow evening.

ORDINANCE NO. 71-21 **BY: CHRISTINA MORRIS**
AN ORDINANCE AMENDING THE CODIFIED ORDINANCES OF THE CITY OF ROCKY RIVER, SECTION 905.03 ENTITLED “DRIVEWAY LOCATION AND WIDTH” AND SECTION 905.04 ENTITLED “DRIVEWAY APRON MATERIAL AND THICKNESS”, AS FURTHER DESCRIBED IN THE ATTACHED EXHIBIT “A”
ON HOLD

Mrs. Morris said this was referred to the Planning Commission and is still on hold.

ORDINANCE NO. 88-21 **BY: MICHAEL P. O'DONNELL**
AN EMERGENCY ORDINANCE TO MAKE APPROPRIATIONS FOR THE CURRENT EXPENSES OF THE CITY OF ROCKY RIVER, OHIO, DURING THE FISCAL YEAR ENDING DECEMBER 31, 2022
ON HOLD

Mr. O'Donnell stated that this will be placed on hold until next week. Director Thomas has some amendments that will be added for next week's meeting including the grant received, police cars being purchased this year as opposed to next year along with amendments for the Court's budget. This will be read for a third time next week.

ORDINANCE NO. 89-21 **BY: JOHN B. SHEPHERD**
AN EMERGENCY ORDINANCE AUTHORIZING THE MAYOR AND THE DIRECTOR OF PUBLIC SAFETY SERVICE TO ENTER INTO AN AGREEMENT FOR VARIOUS INSURANCE COVERAGES FOR THE CITY OF ROCKY RIVER WITH MCGOWAN INSURANCE COMPANY, INC. FOR THE YEAR 2022 AT A TOTAL COST OF \$247,966.00, AS FURTHER DESCRIBED IN EXHIBIT “A”
3rd READING

Mr. Shepherd stated that the administration received a response back from Zurich Insurance regarding cyber security, crime coverage and uninsured motorists. \$500,000 is the most coverage they will write for uninsured motorists. There are issues in the state concerning breach sole remedy and subrogation issues, which is an exclusive remedy with Workman's Comp. The city received quotes in the amount of \$250,000 and \$500,000 for uninsured motorists. The increase for \$250,000 will be an increase of \$9,946.00 for all covered entities; the cost increase of \$500,000 will be an increase of \$13,094.00. Mr. Shepherd is in favor of the higher limits as it creates a gap in meaningful coverage for the employees while working and driving city vehicles. The coverage is not tremendously expensive and he is in favor of the \$500,000 limit.

If these ordinances pass this evening, they will be amended. The first exhibit is the report from the consultant and the additional Exhibit B that reflects the crime coverage, cyber coverage and the increase of uninsured motorists. The total cost for all the insurances will be \$368,422. The cost of the coverage did increase but still overall lower than before it was put out to bid. Some of the increase is due to the new police station.

Mr. Shepherd moved to amend Ordinance No. 89-21 by adding Exhibit B and changing the verbiage in the context of the ordinance, seconded by Mr. O'Donnell.
