The meeting began promptly at 8:00 a.m. and lasted almost five hours. It was a successful meeting in many regards and Council had the opportunity to talk with all the Directors and Judges in the Court. From Mr. O'Donnell's perspective, as Chairman of the Finance Committee, he thanked the administration, Council and Directors for being able to put this meeting together. It ran very smoothly, via zoom for the first time, but even with that Council made it through.

President Moran thanked Councilman O'Donnell. As Councilman O'Donnell stated, the Finance Committee is made up of four members of Council that were present along with the other members of Council who take this responsibility seriously.
