RE: 2019-2021 Phase II Stormwater Memorandum of Understanding – City of Rocky River

Dear Ms. Costello:

The Cuyahoga County Board of Health (CCBH) continues to maintain a Stormwater Program that incorporates activities for Minimum Control Measure (MCM) #3, Illicit Discharge Detection and Elimination, and MCM #6, Pollution Prevention/Good Housekeeping for Municipal Operations. Our Stormwater program includes dry weather outfall inspections, sampling, and employee training that will continue to assist your community in meeting the Ohio EPA's Phase II Stormwater requirements.

CCBH will continue to offer the annual IDDE and Pollution Prevention/Good Housekeeping program activities to those communities that enter into a Memorandum of Understanding (MOU) with CCBH for 2019-2021. In an effort to align with the services provided to the communities within the Northeast Ohio Regional Sewer District's Regional Stormwater Management Program (RSMP) service area, this MOU will cover the next three years of stormwater services.

After reviewing the fees charged for our Stormwater Program activities, we have identified that a slight increase in the fees associated with this program is necessary to cover an increase in laboratory analysis costs. CCBH continues to work hard to provide quality public health programming while attempting to keep costs as low as possible for communities.

Provided with this letter is the Memorandum of Understanding (MOU) for the 2019-2021 Phase II Stormwater services for your community. If you have any questions or concerns about our program please feel free to contact me at (216) 201-2000 ext. 1248 or msymanski@ccbh.net, or Domenica McClintock, Supervisor, at (216) 201-2000 ext. 1223 or dmcclintock@ccbh.net. We look forward to maintaining our successful partnership with your community in this and all of our public health programs.
