A RESOLUTION SUPPORTING THE ODOT STATE AND U.S. BICYCLE ROUTE SYSTEM

**WHEREAS**, bicycle tourism is a growing industry in North America, contributing to \$47 billion a year to the economies of communities that provide facilities for such tourists; and

**WHEREAS**, the American Association of State Highway and Transportation Officials (AASHTO) has designated a series of corridors crossing Ohio to be developed as various US Bicycle Routes; and

**WHEREAS**, the Ohio Department of Transportation has designated a series of corridors crossing Ohio to be developed as various State Bicycle Routes; and

**WHEREAS**, the Ohio Department of Transportation is supportive of AASHTO designated bicycle routes through Ohio, subject to ongoing collaboration with affected jurisdictions to inventory, analyze, and designate specific facilities the routes will traverse; and

**WHEREAS**, the City of Rocky River and the Adventure Cycling Association, with the cooperation of the Ohio Department of Transportation and other stakeholders, have proposed specific routes to be designated as US Bicycle Routes, a map of which is herein incorporated into this resolution by reference; and

**WHEREAS**, we have investigated the proposed route and found it to be a suitable route, and desire that the route be designated so that it can be mapped and signed, thereby promoting bicycle tourism in our area; and

**WHEREAS**, we acknowledge the route may change over time because new facilities are being constructed that are more suitable for bicyclists.

**THEREFORE BE IT RESOLVED**, that the City of Rocky River hereby approves and supports the development of the ODOT State and U.S. Bicycle Route System.
