COUNTY OF CUYAHOGA

Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Under the law in effect prior to June 3, 2002, the budget commission could only waive the tax budget for a subdivision or other taxing unit that was receiving a share of the county undivided local government fund or the county undivided local government revenue assistance fund under an alternative method or formula pursuant to ORC Sections 5747.53 and 5747.63. Thus, tax budgets could be waived only for counties, municipalities, townships, and park districts. This restriction is now removed.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

On October 11, 2002, during the Cuyahoga County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (Including Schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis.

Alternative Tax Budget Information Filing Deadline

For all political subdivisions excluding school districts, the fiscal officer must file one copy of this document with the County Fiscal Officer on or before July 20th. For school districts the fiscal officer must file one copy of this document with the County Fiscal Officer on or before January 20th.
