RE: BEST EQUIPMENT COMPANY PURCHASE AUTHORIZATION

We are requesting authorization to expend up to \$45,000.00 with Best Equipment Company. This is not a request for additional appropriations.

Best Equipment Company is the primary dealer in the area for Leach and Loadmaster and Old Dominion Brush equipment which is used for repair of our refuse and leaf collection vehicles. Best Equipment has an excellent service facility and provides efficient support and repair for our vehicle fleet which is used daily, with much wear and tear. This valuable support allows the City to repair and maintain our existing fleet efficiently rather than purchasing new equipment.

In addition, the request would authorize purchases by other departments for equipment and vehicle maintenance, as needed, from already appropriated funds.
