RE: 2024 Pool Rates

The Recreation Department has established the need to continue a bi-annual increase in outdoor pool fees. With the planned increase to part-time wages as well as increased supplies, chemicals, etc. The attached fee schedule has been developed to assist in cost recovery due to increased wages, supplies, etc.

The rate increases are a rounded 10% for all membership categories and a flat \$1.00-\$2.00 increase on all daily admissions. The overall revenue from this increase, based on 2023 revenue projections will generate roughly \$18,000.00 additional dollars per year.

An additional change to the legislation does include reducing large group parties at the Outdoor Pool. With limited staff available and increased wages, in the event of a large party request, we intend to utilize the daily admission rates as the cost.

The attached fee structure was submitted, reviewed, and approved by the Parks & Recreation Commission on Thursday, October 12, 2023.
